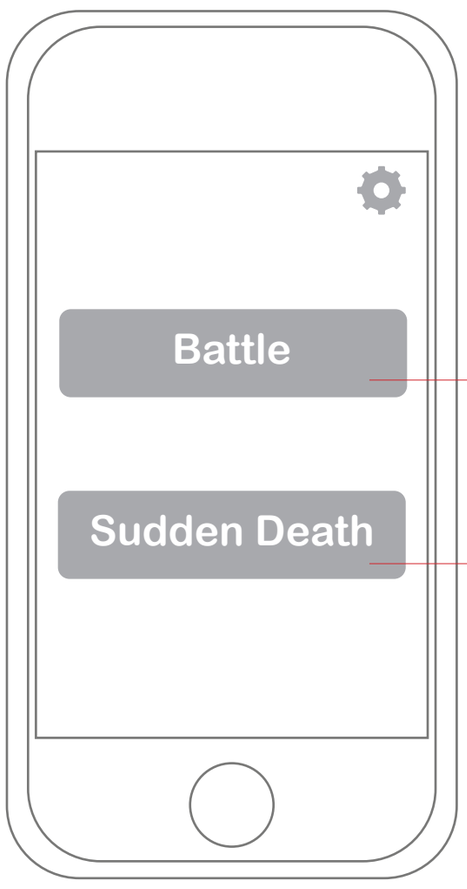
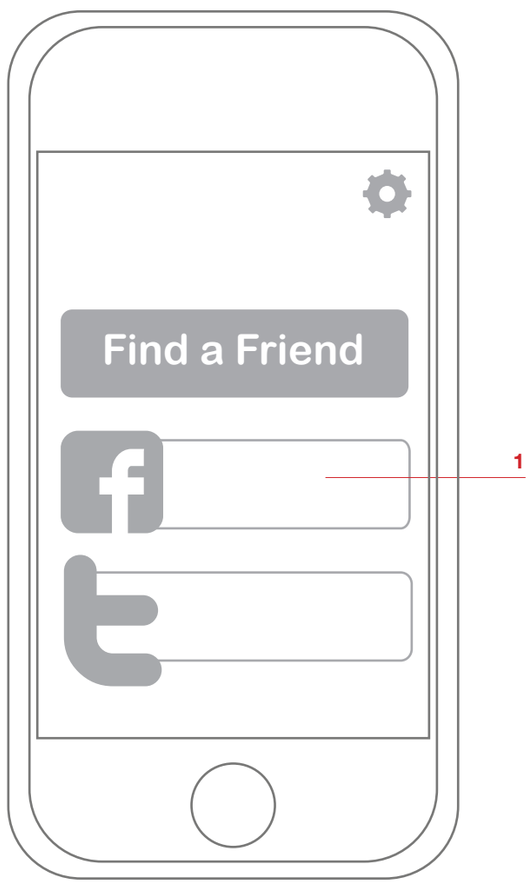
Start screen



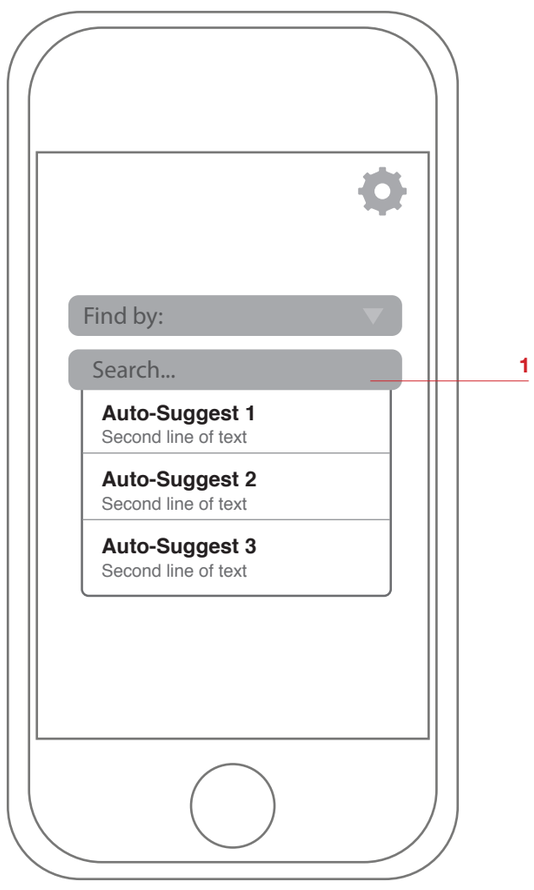
NOTES
1. “Battle” mode allows the user to challenge a friend (from social media feeds).
2. “Sudden Death” mode the user battles a random person.

Two Player options screen



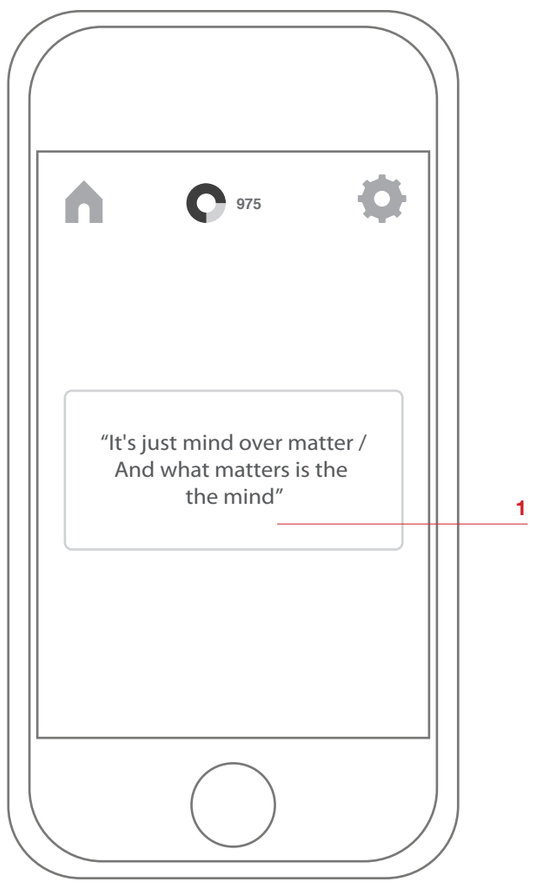
NOTES
1. In “Battle” mode user must select a friend from their social feed to challenge.

Two Player “Battle” mode options screen



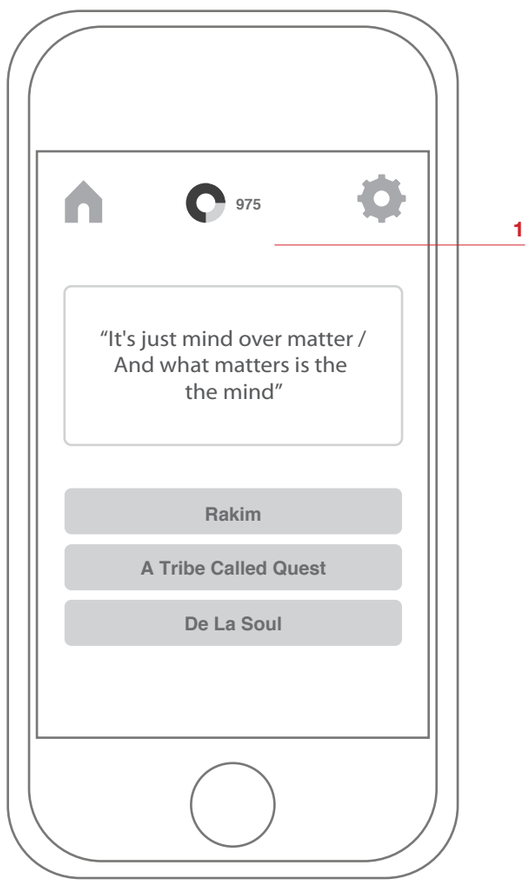
NOTES
1. In “Battle” mode the user posing the challenge can select the question for their opponent to answer.

Two Player “Battle” mode options screen



NOTES
1. From the challenger’s perspective they wait and watch to see if their opponent can answer the question before the time runs out.

Two Player “Battle” mode challenger perspective



NOTES
1. “Sudden Death” mode positions two random players against each other with system generated questions. Players compete to be the first person to answer the question.
